Spring 2017

Community and Business Volunteers Needed

Neville Island Earth Day Litter Pick Up April 22,2017 9:00am-12:00pm

Neville Green will be sponsoring Earth Day litter pick up on Saturday, April 22 from 9am-12pm. Volunteers will be meeting at the Neville Island Volunteer Fire Station at 5300 Grand Avenue. Neville Green will be providing coffee, donuts, and water. Neville Township will provide gloves, safety vests, and garbage bags.

If you are unable to participate on that date, we ask that your family or business clean up your area or neighborhood during the week of April 16-22. Be a partner in our unique community and make Neville Island a great place to live and work. This is a great opportunity for employees and families to bond.

A certificate will be issued to all that participate. Please email Dorothy at

Why Volunteer?

There are many reasons to volunteer. Volunteer to gain career experience, to build your resume, to develop skills, to meet new people. Volunteer to build self-esteem, to make a difference, to contribute to society. Whatever reason you may have to volunteer, use it.

Neville Green is a great non-profit organization to volunteer for. Neville Green has many volunteering opportunities throughout the year. In April, we host an Earth Day Litter Pick Up. In May, we plant flowers in our flower beds and planters along Grand Avenue and throughout the following months we make sure that these flowers are watered. In October, we remove the flowers from the planters and flower beds before the winter months arrive. Our last event of the year is the Light Up Night at the fire station, where we pass out cookies and hot chocolate and light the luminaria along Grand Avenue.

Planters

Seven planters have been taken from Grand Avenue. If you notice any suspicious activity, please contact the Ohio Township Police Department non-emergency phone number at 412-259-8304. These planters enhance Grand Avenue and improve visitor's impression of Neville Island. Our volunteers work very hard to make our community a better place to work and live.

The cost to replace these planters is over \$500.00.

Neville Car Magnets

As a fundraiser for Neville Green, we are selling "Neville" and "NI" magnets.

The magnets cost \$5.00 each. If you would like to purchase a magnet they are available at the

Township office or

you can call Neville Green at

412-262-3620. All of the proceeds go back into the community through Neville Green.

Save the Date

The community celebration for the 100th anniversary of the Neville Island Volunteer Fire Department will be on Saturday, July 22, 2017.

Neville Island Historical Society News

We had DVD's created from old VHS tapes of Neville High School activities from the 1940's through the 1970's. You can view these videos on our Facebook page, Neville Island Historical Society. The DVD's can also be viewed by stopping by the Neville Island Historical Society in the municipal building during open hours. Open hours are Monday's from 9am-12pm, Wednesday's from 8am-12pm, and Saturday's from 8am-12pm.

Our work continues as we catalog and label our donations. We enjoy reading all of the old newspaper articles and viewing all of the photographs.

We are always requesting donations that relate to the history of Neville Island. If you would like to donate any items, please contact Linda at 412-329-7734 or Dorothy at 412-262-3620. Items can also be dropped off at the municipal building.

Recycling has been a huge success! Take your recyclables to the bin located in front of Waste Management at 4100 Grand Avenue. The Township has a list of items that can be recycled, if you are not already doing so.
