2022 Eileen Boyd Hutchinson Volunteer Scholarship

Neville Green presented the Eileen Boyd Hutchinson Volunteer Scholarship to two local students in May 2022. MJ Smith, a Senior at Cornell High School and resident of Coraopolis and Anela Brown, of Neville Island and a Junior at Penn State, were the recipients of these scholarships, each in the amount of \$500. The Eileen Boyd Hutchinson Volunteer Scholarship was established to recognize volunteerism within the community of Neville Island and Cornell School District.

Earth Day Litter Clean-Up

On Saturday April 23rd, Neville Green and Neville Township sponsored an Earth Day Litter Clean-Up event on Neville Island. In addition to the volunteers that came out that morning to participate, FedEx and Carmeuse, located on Neville Road, also participated during the week to clean up the areas around their businesses. All volunteers were given an opportunity to win participation gifts and breakfast pastries were served. Neville Green would like to thank everyone who participated this year, and we look forward to next year's event.
